GLOSSARY OF TERMS

PERCENTAGE CHANGE:

Percentage Change refers to the % increase or decrease from the previous time frame.

RATE:

Rate refers to Rate of Crime per 1,000 persons.

REPORTED:

Reported refers to the number of incidents which occurred on or in relation to University property that were reported to York University Security Services.

NOT SPECIFIED AREA (NSA):

Not Specified Area refers to incidents that have been reported to York University Security Services without a specific location or the specific location is undetermined.

OFFENCE:

An Offence is any violation of Federal Laws, Provincial Statutes or Municipal by-laws.

PROPERTY CRIMES:

Property Crimes involve unlawful acts with respect to property but do not involve the use or threat of violence against a person. These include: actual and attempted break and enter, theft, mischief, arson, and fraud categories.

CRIMES AGAINST PERSONS:

Crimes Against Persons involve the application and/or threat of violence to a person. These include: sexual assaults, non-sexual assaults, harassment, homicide, abduction, indecent acts, intimidation, robbery, and uttering threats categories.

INCIDENTS AFFECTING QUALITY OF LIFE:

Incidents Affecting Quality of Life involve unlawful acts that do not pose a direct threat to an individual but have an impact as to the perception of safety and fear of crime. These include: bomb threats, disorderly behaviour, cause disturbance, smoking complaints, damage, emergency medical, fire alarms, suspicious vehicles and persons, trespass, occupations & demonstrations, and hate incident categories.

OTHER INCIDENTS:

Other Incidents include: information, unfounded occurrences, hazardous substances, missing persons, and motor vehicle collision categories, among others.

INTRODUCTION

DATA COLLECTION and SOURCE:

The data contained in this report is taken from the York University Security Services Computer Information Systems. These systems are as follows:

- PPM/Resolver – PERSPECTIVE
- PPM/Resolver – DISPATCH LOG

It should be noted that as the above systems are being updated continuously during the course of an investigation into an incident, changes to statistics in previous reports are common and expected.

3rd Quarter Highlights

The statistics presented in the 3rd quarter report account for all incidents reported to York University Security Services between November 1, 2015 and January 31, 2016 which occurred on or in relation to the Keele or Glendon Campuses.

Incidents:

- The number of incidents reported in the 3rd quarter of 2015-2016 increased by 7% to 507 incidents compared to 475 incidents reported in the 3rd quarter of 2014-2015.
- The total number of incidents reported in 2015-2016 Year to Date (YTD) decreased by less than 1% to 1,337 incidents compared to 1,342 incidents reported during the same period in 2014-2015.

Calls for Service:

- The number of calls for service received in the 3rd quarter of 2015-2016 decreased by 6% to 2,400 compared to 2,564 calls for service received in the 3rd quarter of 2014-2015.
- The total number of calls for service received in 2015-2016 YTD decreased by 23% to 6,431 compared to 8,362 calls for service received during the same period in 2014-2015.

Top Five Incident Categories:

The top five incident categories reported accounted for 259 incidents or 51% of the total incidents reported in the 3rd quarter of 2015-2016. The top five incident categories are ranked as per the following:

- **Emergency Medical**
 - The number of Emergency Medical incidents reported in the 3rd quarter of 2015-2016 decreased by 1% to 81 incidents compared to 82 incidents reported in the 3rd quarter of 2014-2015
 - The total number of Emergency Medical incidents reported in 2015-2016 YTD increased by 9% to 273 incidents compared to 251 incidents reported during the same period in 2014-2015
- **Theft Under \$5000 - Private Property**
 - The number of Theft Under \$5000 – Private Property incidents reported in the 3rd quarter of 2015-2016 increased by 3% to 67 incidents compared to 65 incidents reported in the 3rd quarter of 2014-2015
 - The total number of Theft Under \$5000 – Private Property incidents reported in 2015-2016 YTD increased by 5% to 160 incidents compared to 153 incidents reported during the same period in 2014-2015
- **Fire Alarms**
 - The number of Fire Alarm incidents reported in the 3rd quarter of 2015-2016 decreased by 32% to 40 incidents compared to 59 incidents reported in the 3rd quarter of 2014-2015
 - The total number of Fire Alarm incidents reported in 2015-2016 YTD decreased by 20% to 121 incidents compared to 151 incidents reported during the same period in 2014-2015
- **Information**
 - The number of Information incidents reported in the 3rd quarter of 2015-2016 increased by 29% to 40 incidents compared to 31 incidents reported in the 3rd quarter of 2014-2015
 - The total number of Information incidents reported in 2015-2016 YTD increased by 5% to 90 incidents compared to 86 incidents reported during the same period in 2014-2015
- **Disorderly Behaviour**
 - The number of Disorderly Behaviour incidents reported in the 3rd quarter of 2015-2016 increased by 3% to 31 incidents compared to 30 incidents reported in the 3rd quarter of 2014-2015
 - The total number of Disorderly Behaviour incidents reported in 2015-2016 YTD remained unchanged at 74 incidents.

Incident Classifications:

All incidents presented in this report have been categorized as part of an incident classification hierarchy. The incident classifications are as follows:
