GLOSSARY OF TERMS

PERCENTAGE CHANGE:

Percentage Change refers to the % increase or decrease from the previous time frame.

RATE:

Rate refers to Rate of Crime per 1,000 persons.

REPORTED:

Reported refers to the number of incidents which occurred on or in relation to University property that were reported to York University Security Services.

NOT SPECIFIED AREA (NSA):

Not Specified Area refers to incidents that have been reported to York University Security Services without a specific location or the specific location is undetermined.

OFFENCE:

An Offence is any violation of Federal Laws, Provincial Statutes or Municipal by-laws.

PROPERTY CRIMES:

Property Crimes involve unlawful acts with respect to property but do not involve the use or threat of violence against a person. These include: actual and attempted break and enter, theft, mischief, arson, and fraud categories.

CRIMES AGAINST PERSONS:

Crimes Against Persons involve the application and/or threat of violence to a person. These include: sexual assaults, non-sexual assaults, harassment, homicide, abduction, indecent acts, intimidation, robbery, and uttering threats categories.

INCIDENTS AFFECTING QUALITY OF LIFE:

Incidents Affecting Quality of Life involve unlawful acts that do not pose a direct threat to an individual but have an impact as to the perception of safety and fear of crime. These include: bomb threats, disorderly behaviour, cause disturbance, smoking complaints, damage, emergency medical, fire alarms, suspicious vehicles and persons, trespass, occupations & demonstrations, and hate incident categories.

OTHER INCIDENTS:

Other Incidents include: information, unfounded occurrences, hazardous substances, missing persons, and motor vehicle collision categories, among others.

INTRODUCTION

DATA COLLECTION and SOURCE:

The data contained in this report is taken from the York University Security Services Computer Information Systems. These systems are as follows:

- RESOLVER (Formerly PPM2000) – PERSPECTIVE
- RESOLVER (Formerly PPM2000) – DISPATCH LOG

It should be noted that as the above systems are being updated continuously during the course of an investigation into an incident, changes to statistics in previous reports are common and expected.

4th QUARTER HIGHLIGHTS

The statistics presented in the 4th quarter report account for all incidents reported to York University Security Services between February 1, 2016 and April 30, 2016 which occurred on or in relation to the Keele or Glendon Campuses.
